COCO4CCI WORKSHOP

CHALLENGE4STAKEHOLDERS: THE FUTURE OF CCI COOPERATION COLLIDER

We believe that cultural and creative industries in Central Europe have a high potential to link up with other industry sectors and boost economic and social development by empowering innovation processes with creative inputs. We want to anticipate long-term trends and long-term implications of short-term decisions through a participatory process with key stakeholders as CCIs, AVMs, institutions and academia. We invite these stakeholders to participate in the COCO4CCI Foresight Workshop.
